

Project Title

Introduction (Situation analysis and description of the problem)

Short. One or two paragraphs.

Geographic Scope/Project Region or Country of Implementation

Implementing organisation

Short. One or two paragraphs.

Project Partner(s)

if any

(Potential) Supporter(s)

if already any

Duration of the Project

Or intended duration

Budget of the Project

Could be a rough estimation. From ... to. Probably scalable.

Project Goals, Challenges, Measures/Actions, Budgets

-
-
- ...

You can use bullet points like above or a table like below, whatever makes more sense

Planned Measures	Goals & Objectives	Target groups	Expected Budget

Expected results with quantitative and qualitative Indicators of Success.
(Potentially with references to SDGs)

- Short term:
 -
 -
- Long term:
 -
 -

You can use bullet points like above *or the Logical Framework/result matrix below*

Results	Indicators (possibly plus quantity structure)	
	Starting value (quantitative & qualitative)	Target value (quantitative & qualitative)
1.		
2.		
3.		
4. <i>add more if needed</i>
